

<p>Benefits And Features</p>	 <p>Best Portrait® IPN® Superior Premium†</p>	 <p>Better TruExpression® MXL Custom Deluxe</p>	 <p>Good Classic® Ultra Value</p>
<p>Description</p>	<p>For the clinician who demands the best, Portrait® IPN® teeth deliver the premium combination of aesthetics, time-tested material and mould selection. Each tooth blends three different layers of IPN (Interpenetrating Polymer Network) material creating five distinct aesthetic zones. The result is a life-like tooth with superior durability.</p>	<p>For the clinician seeking the next step in improved denture appearance and functional durability, TruExpression® denture teeth offer a harmony of “True-To-Life” shade blending and deluxe anatomy choices with the durability of MXL (Multi-Cross Linked Polymer) material.</p>	<p>For the clinician that desires a good looking, reliable denture, Classic® denture teeth are formulated from a synthetic resin system that provides good aesthetics and affordable value.</p>
