

How To Order your DXC Custom Face Mask Fitter

Step-by-Step Instructions to Complete
the Face Scan and Order Online

bellus3D™ Scanning Instructions

- 1** ■ Download bellus3D FaceApp or bellus3D Dental Pro on your iPhone or iPad (iPhone X, Xs, Xs Max, XR, 11, 11 Pro, 11 Pro Max or iPad Pro) from the App Store
 - bellus3D FaceApp (iPhone)
<https://apps.apple.com/us/app/bellus3d-faceapp/id1352268131>
 - bellus3D Dental Pro (iPhone or iPad)
<https://apps.apple.com/us/app/bellus3d-dental-pro/id1449506214?ls=1>
- 2** ■ Create a free account to start scanning
- 3** ■ Launch the FaceApp application and select the FACE option
- 4** ■ Follow the instruction on the app step-by-step
 - If you are in optional position the red oval will turn green
 - Once oval is green press the white button at the bottom of the display to initiate scan
 - Hold neutral facial expression for duration of the scan
 - The app will take you through multiple scans
 - Once completed FaceApp will stitch together all scans to create 3D Model
- 5** ■ Once 3D model is created, **click on mask fitter (bottom right corner)** which will generate the fitter model
 - There are 3 options of styles to choose
- 6** ■ Once completed the model will be created with the fitter in place
 - Press the "export" button in the bottom right and choose the email option to save the STL attachment on your computer

How To Order your DXC Custom Face Mask Fitter

Step-by-Step Instructions to Complete
the Face Scan and Order Online

Placing your Order Online

- 1** ■ Visit <https://www.dentalservices.net/PPE>
